G.O. The Madras Eggs (Movement) Control Order 1947 - Cancelled Notification under the Central Act XXIV of 1946 issued -

No.4-14/47-L
Government of India
Ministry of Agriculture
New Delhi, the 5th November. 1947.

From

Sardar Sujan Singh Bedi, M.A.
Assistant Secretary, Ministry of Agriculture,
Government of India.

To

All the Provincial Governments & Local Administrations.

Sub:- Inter-provincial movement of pultry and eggs.

Sir,

I am directed to say that the present restrictions on the movement of pultry and eggs between districts of the same province and between one province and another which have been imposed by the Provincial Governments are hampering the ~~pul~~ poultry development work in the country. These restrictions may have been necessary during the war for economising the transport facilities, but for the development of poultry it is necessary to allow free exchange of stock from one part of the country to another. It is therefore requested that the Provincial Government may consider the feasibility of removing these restrictions or at least restrictions on breeding stock and eggs for hatching purposes. The Government of India will be glad to be informed about the decision of the Provincial Governments.

I have the honour to be etc.

Sir,

Sub: Civil Supplies - Movement of poultry and eggs - Restrictions - Removal -
Ref: Your letter No.4-14/47-2, dated 5/11, Nov.1947.

With reference to your letter cited, I am directed to say that there is no ban at present on the movement of poultry within or from the Madras Province. The movement of eggs outside this province is however prohibited by the notification issued in G.O.No.218(Food) dated 4-3-'47.

In view of what is mentioned by you in the letter cited and in consonance with present general policy to remove gradually the controls over all minor food-suffs, this Government have since decided to lift the ban imposed on the movement of eggs inthe order mentioned above.

Yours faithfully,

(Sd.) xxxx
